From Ken Adachi [Editor](#)

Posted Oct. 3, 2006

The **2002** Physicians List from the International Oxidative Medicine Association (IOMA) is published in [Hydrogen Peroxide, Medical Miracle](#) by Dr. William Campbell Douglass, MD (2003 edition) . I will update the list when I receive the 2006 list from IOMA. Undoubtedly more physicians and more states will be listed in the 2006 list. If you are a physician (or if you know of a physician) who offers IV hydrogen peroxide infusions or Bioluminescence therapies and you are not affiliated with IOMA, please send me the names [Editor](#) and I can list those physicians on a separate, unaffiliated list.

## International Oxidative Medicine Association (IOMA).

The International Oxidative Medicine Association (IOMA) was established by Charles Farr, MD, PhD, to train and assist qualified physicians in giving hydrogen peroxide therapy. IOMA is a 501c not-for-profit education and research foundation. The Foundation has a continuing education program for physicians to keep them current on the latest findings in oxidative medicine. Specific medical information or recommendations are not available through the Foundation and must be provided by your personal physician. Address any correspondence to:

I.O.M.A.  
P.O. Box 809010,  
Oklahoma City, OK 73189

Updated copies of the following list are available from IOMA upon receipt of a written request and a \$5 donation.
